202.PH.016	200 series pumphead	0.1600	3	1.6mm Viton®
202.PH.030	200 series pumphead	0.4500	3	3mm Viton®
202.PH.050	200 series pumphead	0.9000	3	5mm Viton®

NB:- on models in blue users should take care not to run the pump too fast. For advice please contact our technical department.

Important: The standard version of this pump is supplied sealed so the tube cannot be changed. The pump has been designed so that when the pump head has worn out it is changed as a whole. We are able to supply pumpheads unsealed for customers that wish to change the tubing periodically. Please contact our office for details.
